RE: RECORDING AND REPORTING OF ALL POSSIBILITY MINISTRIES CHURCH MEMBERS AND WITHIN YOUR CHURCH COMMUNITY

Grace be to you from our God, Saviour, and Soon-Coming King Jesus Christ of Nazareth.

Adventist Possibility Ministries (APM) is about building relationships through an inclusive compassion for those who are often ignored and sometimes abused. Central to this ministry is the conviction that "All are gifted, needed, and treasured." Adventist Possibility Ministries (APM) includes seven distinct ministries. It brings focus to those
1. Experiencing spousal loss,
2. The blind and those with low vision,
3. The Deaf and the hard of hearing,
4. Those with mental and emotional challenges,
5. Orphans and vulnerable children,
6. Those with physical and mobility challenges, and finally,
7. Those who serve as caregivers of those who need physical and emotional support.

At this time, I am requesting a list of all the church members and community members who fall in the seven areas of focus. I am requesting two (2) lists: one for church members and one for community members, to be prepared and sent to sschooler@ejcsda.com and/or mradlin@ejcsda.com. Please include the Possibility Ministries member's church or community, name, address, gender, contact number, and, most relevant, the focus area or areas in which they fall.

We need these two lists for our database and records so we can better serve those we minister with, minister to, serve, and love. Assist me in making this a reality.

We are Adventist Possibility Ministries (APM). We are advocating for the recognition of the dignity and respect of every person and helping to make possible the discovery of unrealized abilities despite stigmas associated with a disability or loss.

I am anticipating the receipt of the lists as soon as possible. Your kind cooperation is expected.

God's Speed

Yours in the Master's Hand,

Sheldon Schooler, Pastor
