September 9, 2022

To all Pastors, Church Boards and Community Services Directors

## **Re: Senior Citizens Month**

Greetings in the awesomely amazing name of Jesus Christ our Lord, Saviour and Soon Coming King.

This and every September we celebrate, commend and cheer on our Senior Citizens all across Jamaica for they have added value to our society. Our Senior Citizens have worked to build a future for us and today we are living their dreams. Along with enjoying the fruits of their labours and long-life granted to them by God we are truly grateful for their presence with us today.

This September 2022 the theme under which we reaffirm our Senior Citizens is “Aging, Jamaica Epitomizing Resilience and Greatness.” I am encouraging each Pastor, Church Board and Community Services Director to make plans and prepare to recognize and remember their outstanding work and contribution in this month. You have the liberty to select the number of persons and how to honour their dedication to the Church, Community and the Gospel of Christ.

As you know Senior Citizens falls under the Community Services Department and our Community Services Directors should always include them in their plans. I pray that we are cherishing the time we have together.

Let us all embrace, visit and capture the precious moments with our seniors especially during this of September.

Additionally, we are inviting all Senior Citizens Directors and Club Presidents to our first meeting together at the Half Way Tree Church on September 27, 2022 from 10:00 am to 12:30pm.

I’m looking forward to hearing the praise reports from our Senior Citizens.

Live for Jesus, He died for you.

Yours in the Master’s Hand,

Sheldon Schooler  
SENIOR CITIZEN DIRECTOR
