Pastors, Elders, Stewardship Ministries and Trust Services Leaders

Dear Brothers and Sisters,

## **Re: Stewardship, Planned Giving and Trust Services Revival Week**

Greetings in the name of the Lord!

Let me use this opportunity to express thanks and appreciation to all our EJC members for your faithfulness and commitment to the mission and stewardship of our church. We will continue to work and pray together, and together we'll achieve success. Commendations to the leaders who attended our Stewardship Consultation. Let us endeavour to implement those strategies we discussed as we continue to education our members.

Our next Stewardship Revival Week will be **April 17 – 23, 2022**. Please use the week to educate, educate and educate! Remember that the entire month is dedicated to Stewardship according to the calendar of events. Therefore, we are recommending that every department does something on Stewardship. The theme is “*God First*” and we will use this theme for the life of the General Conference (GC). The God First Stewardship Revival Week is an annual initiative of GC Stewardship Ministries to invite the global membership to renew their commitment to God as Stewards. The focus is on practical reformation in response to these admonitions from the spirit of prophecy.

“A revival and reformation must take place under the ministration of the Holy Spirit. Revival and reformation are two different things. Revival signifies a renewal of spiritual life; a quickening of the powers of the mind and heart; a resurrection from the spiritual death. Reformation signifies reorganization; a change in ideas and theories; habits and practices...Revival and reformation are to do their appointed work, and in doing this work they must blend.” (Christian Service, pp. 41-42)

Attached are seven inspirational messages; sermons that can be used to assist you in the nightly services. Also, please follow the nightly service outline as closely as is possible.
