EAST JAMAICA CONFERENCE

Dear Brethren:

Re: Recognition of Centenarians (Persons alive Hundred (100) years old or older)

The East Jamaica Conference in particular the Senior Citizen Ministries Department wishes to acknowledge the Senior Citizens both in our Congregation and Community. The Senior Citizen Department would like specially to recognize these centenarians (persons alive one hundred years old or more). We are hereby requesting that information be sent to the office about these persons as soon as possible.

We are requesting that you send their names, date of birth, addresses, contact number along with the name and number of a contact person. Please send the information to sschooler@ejcsda.com and pwiggan@ejcsda.com. Please note proof of age is requested if available, a birth certificate or government issued identification card can be used for same.

Furthermore, we desire to pass on this relevant information to the National Council for Senior Citizens for the registry and to the Governor General for the King's recognition. The National Council for Senior Citizens also wishes to note persons that are ninety-nine years old and we also would like to pass on this information.

If possibly a short biography of these persons would be extremely helpful and valuable. This can include but not limited to place of birth, parishes resided in, schools attended, jobs done or careers, prominent positions held, children, grandchildren etc, years of services in their church/es and number of years residing in their communities.

We crave your cooperation as we try to bring a little joy to our centenarians, by God's Grace.

Yours in the Master's Service
