Youth Ministries Director: Pastor Joel Jupp

Adventist Youth, ARISE!

What a joy to see the youth of our church answering the call as Christ repositions us through His inspired Word, sanctified and empowered to evangelize the world, ushering in the coming of Christ in our generation.

With such a mantra, the EJC Administration is excited about Congressoree 2022 and welcomes each of you into the warmth and fellowship of God's family. It is a fact that our youth have a mighty influence on change, and their rightful place is in this great ministry. Ellen G. White said, "With such an army of workers as our youth, rightly trained, might furnish, how soon the message of a crucified, risen, and soon-coming Saviour might be carried to the whole world! Counsels to Teachers, Parents, and Students, p. 555.

The year 2022 is fast approaching its close. Let us, with great resolve, hold on to the mighty hand of God, who can keep us from falling into this world of utter despair. Never underestimate the power of God, who can take your life in a new direction.

As we grasp the messages of each passing day, I pray that we all will preach this everlasting gospel in the humility of spirit and determination. God is preparing all of us for the year 2023, and He desires us to ARISE!

Merik Dale Walker

I'm so happy to welcome you to **Youth Congressoree 2022.**

Youth Congressoree has always been a time of **celebration and renewal**. It's a place where we can meet new friends, reconnect with old ones, and experience Jesus in a new way. I pray that these days of worship and fellowship will help you to see that God has a higher purpose for your life than you do and there's a place in His church just for you. **You are loved.**

Along the Christian journey, there are times when we will feel like quitting, but this is the time to **A**nswer the call as Christ **R**epositions us through His **I**nspired word; then being **S**anctified and empowered, we will **E**vangelize the world and usher in the coming of Jesus in our generation.

I thank my predecessor, Pastor Brian Shaw, who laid the foundation for this celebration and continues to support the cause of Christ. Thanks to the team of dedicated volunteers and workers who have gone beyond the call of duty to plan and execute this mountain top experience.

Thanks to the EJC Communications Team for accommodating our Day of Prayer activities and #Str8talk session. Thanks to the Pastors and members of the Morant Bay, Stadium Community, Half Way Tree and Constant Spring Churches for hosting our zonal vespers and to the Kencot church family for facilitating our Sabbath service. Our speakers have accepted the call and we thank God for using them mightily. To our EJC family – Thank you for your unwavering support and the confidence you have placed in our youth.

I pray that this experience will inspire us to accomplish great things for Jesus.

Your friend and brother

Pastor Joel Jupp
