The Support Ministries of Community Services, Senior Citizens and Possibilities Ministries

Happy New Year to you and yours.

We continue to be grateful to God for His faithfulness and guidance as He walked us carefully through 2022.

We anticipate with great hope that in 2023 God will use us and make 2023 sweet with our Saviour Jesus Christ of Nazareth.

Pastor Sheldon Nicholas Schooler is the Director for the Community Services, Senior Citizens Ministries and Possibilities Ministries Departments of East Jamaica Conference of Seventh-day Adventists. Considering the three departments the responsibilities and in the strategic plan for 2022-2026 a support or shared ministry was envisioned. This means the Community Services Department along with Seniors Citizens Ministries Department and Possibilities Ministries Department should work and pray closely together.

The Community Services Department being the most known and oldest department is being asked to be the umbrella department that both the Senior Citizens Ministry and Possibilities Ministries Department falls under. However, each department should have a leader or head of department along with a team responsibly for ministry and mission.

We anticipate a wonderful working relation with all three departments and awaits God's leadings as the teams do mission together for Jesus, our Lord and soon coming King.

Let us work together to enhance God's kingdom by the power of the sweet Holy Spirit.

Yours in the Master's Hand,

Sheldon Schooler
Pastor
