Re: SOP and Publishing Ministries Departments.

To be read in All Churches.

Greetings in the precious name of our Lord and Saviour, Jesus Christ!

At a time when the authority of Scripture and the prophetic voice of Ellen G. White are increasingly questioned or misunderstood, it is vital that we, as Seventh-day Adventists, take the time to deepen our understanding of how divine revelation has functioned within our movement. Misconceptions about Ellen White's writings—from accusations of plagiarism to misunderstandings of the proper relationship between the writings of Ellen White and the Bible—are common in the public sphere and, sadly, have also caused confusion within our ranks.

For this reason, the Spirit of Prophecy and Publishing Departments are pleased to invite you to a two-part online webinar series that will offer clarity, scholarship, and inspiration:

Webinar Series Schedule – 7:00 PM nightly

- **Tuesday, May 20: “*Ellen White’s Relation to the Bible*”**
- **Thursday, May 22: “*Ellen White: Prophet or Plagiarist*”**

We are honored to have **Dr. Howard Weems**, Director of the Ellen G. White Research Center at Oakwood University, as our presenter. His presentations promise to be both intellectually robust and spiritually enriching.

Let us come together to grow in grace, deepen our convictions, and be equipped to “always be ready to give an answer” (1 Peter 3:15) regarding the prophetic guidance God has graciously provided His remnant church.

Yours in Christ’s Service,

Sadekie Beckford, Pastor
Spirit of Prophecy Director
