RE: THEME FOR 2026 – "KINGDOM INFLUENCERS: MV2.0"

Dear Youth Leaders,

As we unveil the 2026 Calendar of Events, we recognize a massive shift in our mission field. While we physically serve Kingston, St. Andrew and St. Thomas, a new "digital continent" has emerged—inhabited by the very youth we shepherd. To reach them, we must upgrade our methods. Our theme "Kingdom Influencers: MV2.0 (Missionary Volunteers 2.0)" embodies this mandate.

We are not calling for "influencers" chasing vanity metrics, but for **Kingdom Influencers**: ambassadors stationed in the culture to build God's Kingdom. **MV 2.0** is a reboot of the original 1907 Missionary Volunteer spirit—passionate, sacrificial, and active—redeployed for the age of algorithms.

This theme issues a dual call to action:

1. **Digital Evangelism:** We must "Turn the Scroll into a Soul." Challenging our youth to transform their devices into tools of redemption. Creating content that heals rather than harms—sharing testimonies, posting daily scriptures, and offering prayer in their DMs. Whether on TikTok, Instagram, or WhatsApp, we are all publishers. Let us flood the digital space with the Three Angels' Messages, knowing a single 60-second video can span the world in milliseconds, transforming persons we may never meet.
2. **Daily Living:** Public influence is dangerous without private integrity. A Kingdom Influencer cannot post Jesus on Sabbath while living for the world on Tuesday. We must remember that true spiritual authority flows only from daily intimacy with God.

Feel free to adjust this theme to the needs of your local church. Whether by using "**Kingdom Influencers:**" then adding your creative edge or "**MV2.0.**"

May God inspire us to be true **Kingdom Influencers** as we spread the gospel of *The Kingdom* to all the world in our generation.

Your brother in Ministry,

Pastor Joel Jupp

The Youth Ministries Director
