To All Health Ministries Directors, Pastors, and Leaders

I am recommending to the churches to focus on total health and the 8 Healthy habits. Please note that the emphasis is on Health and Evangelism during the week of Prayer. I am therefore asking the churches throughout the week from **the 20th of September to the 26th** to pray for 7 things:

- 1) Prayer for the health of the nation.
- 2) Pray for the health of the health workers in the SDA church.
- 3) Prayer for the health of our church leaders.
- 4) Prayer for the health of our families
- 5) Prayer for the health of our youth and children.
- 6) Prayer for the Health Message to reach more people with the message of Jesus.
- 7) Prayer for our members who are sick.

N.B Apart from the week of prayer please organise various health activities e.g. Health Run Health Fair, Health Seminars and clinics.

Additionally, please remember to send in your quarterly reports.

Thank you for your kind Consideration.

Yours in the Master's Service.
