To All: Pastors, Elders, Coordinators, Church Clerks and Team Leaders

Dear Brothers and Sisters,

Re: One Voice: enditnow -August 22, 2026

As we continue to serve and nurture in our church family, I want to remind us of our commitment to 'enditnow.' It is a Seventh-day Adventist global church initiative to take action to end violence. The purpose of enditnow is to:

- create awareness regarding abuse and violence against women, men and children.
- to mobilize our church and community to respond with love, advocacy, and support.
- help us raise awareness, support survivors, and teach our families that every person is precious to God.

God calls us to be voices for the voiceless, to bring healing, and to build safe homes where every person is valued as was made in His image. We are called to protect, heal, and restore.

Let's purpose to:

1. **Educate**- learn the signs of abuse and how to help.
2. **Empower**-support survivors with compassion and resources.
3. **Advocate**-speak up and pray for an end to all forms of violence.

Thank you for being a part of the team and for leading with such big hearts. Together we can make our church and community a safer place. Let's keep praying, learning, and taking action together this year. Blessings as we work in His service.

Yours in the Master's service,

Claudette Genas, BH(M) JP.
