## **ASI Mission 2000 and Beyond**

### **What it is?**

**ASI Mission 2000 and Beyond** is a project that involves children and young people in preaching and taking part in mission impact initiatives, with mentors giving support. The goal is to “disciple” our children, so that they can remain in the body of Christ, and help them develop courage, born of commitment and personal experience to immerse in the mission of the church.

### **Foundation Year: 2000**

Sis. Marvalee Franklyn has provided “outstanding leadership in mission projects since “2000”. The “2000” in the name marks when Sis. Marvalee began leading these children and youth mission projects, with the cross-cultural work in Costa Rica being one of the first major initiatives. East Jamaica Conference had its first impact in 2012 and engaged several churches participating in the 3 weeks evangelistic impact led by Sis. Marvalee.

Some of the churches that participated in the impact are: Arnold Road, Constant Spring, Johnson Town, North Street, Sandy Park, Penwood and Woodford.

“If you want to lift yourself up, lift up someone else”.
