Message from the Director

As we reflect on the third quarter, I want to express my heartfelt gratitude for our Family Ministries Leaders' dedication and passion in serving our families. This quarter has been filled with meaningful events and initiatives that have strengthened our community bonds and enriched lives. Our recent Family Life Seminar was a resounding success, with participants sharing how the teachings inspired positive changes in their homes. As we move into the next quarter, let us continue to champion family values, foster spiritual growth, and support one another in our mission. Together, we can create a lasting impact in our community.

Family Life FAQ's – Now on Available Soundcloud

Pastor Adrian Johnson in collaboration with Ruth-Ann Brown from the EJC Communication Department, created a podcast to host and play the recordings of the weekly “Family Life FAQ’s with Uncle Adrian.” The initiative has seen much success with listeners tuning in from across the world for solid advice on marriage, remarriage, how to choose a partner and much more.

EJC Couples Recommitment Day

We were delighted to celebrate our annual Couple's Recommitment Day for quarter 3, under the theme: "Songs of Solomon - Signed, sealed and Sanctified." Couples came out by the dozens to renew their vows and be reminded of God-given spark that blesses their marriage. Outstanding couples received awards.
